### **ePerformance Survey**

---

ADMIN, CPD, FHEO, GNMA, CIO, CPO, CFO and Healthy Homes are all in the process of implementation of ePerformance. Management has issued guidance to managers, employees and the Union on how to develop Standards and Elements under ePerformance. These proscribed guidelines are not consistently being followed, to the detriment of the employee.

We need your help to show management that new elements and standards are being issued without employee participation, which is a critical component in successful implementation of ePerformance. Your input will help work towards a better process. We have prepared a survey for those of you in ADMIN, CPD, FHEO, GNMA, CIO, CPO, CFO and Healthy Homes. Responses are kept confidential. Please be sure to respond. **Here is the survey link:**
